

Changes to the Punarjanam Website:

- **Remove the Shop** - Punarjanam will no longer sell artworks/sculptures/products.
- **Remove product listings** - no individual artwork/product pages, prices, or purchasing information.
- **Remove art/sculpture-focused sections** - these should no longer be core website sections.
- **Change the Projects section** - shift it from artwork to community-based projects and infrastructure.
- **Change the About section** - update Punarjanam's purpose and direction.
- **Change the Homepage** - remove the current art/scrap-focused messaging and imagery.
- **Update the Contact/Enquiry section** - focus on communities, collaborations, material partnerships, etc.
- **Update the navigation/menu** - remove **Shop** and any other sections that only exist for the old art-focused model.
- **Remove pricing/purchase CTAs** - anything like *Buy, Shop, Add to Cart, Enquire to Purchase*, etc.
- **Update the visual content** - replace artwork/product imagery where it no longer represents what Punarjanam does.

Content Architecture:

PUNARJANAM

Website content changes

1. Homepage mission statement
2. Homepage introductory text
3. Homepage hero messaging
4. Homepage imagery
5. Homepage featured project/content
6. "What We Do" content
7. "About Punarjanam" content
8. Punarjanam's history/origin story
9. Description of Punarjanam's purpose
10. Description of the organization's approach
11. Description of the materials Punarjanam works with
12. Projects/portfolio descriptions
13. Project categories
14. Individual project pages

15. **Artwork/sculpture descriptions**
16. **References to scrap art/upcycled art**
17. **References to sculptures as the primary output**
18. **References to art as the primary objective**
19. **Calls to action**
20. **Contact/get-involved messaging**
21. **Partner/collaboration messaging**
22. **Community-related content**
23. **Environmental/circularity messaging**
24. **Impact-related content**
25. **Statistics/metrics, if currently focused on artwork or objects**
26. **Team/member descriptions, if they describe the old purpose**
27. **Any captions accompanying project images**
28. **Image alt text, where relevant**
29. **Page titles and section headings**
30. **SEO titles and meta descriptions**
31. **Social sharing/OG descriptions**
32. **Footer description of Punarjanam**
33. **Any text describing Punarjanam as an art initiative**
34. **Any text describing Punarjanam primarily as a scrap/upcycling initiative**
35. **Any text that doesn't reflect the community-focused direction**

Content that needs to be added/updated

36. **Community-based projects**
37. **Automobile-scrap roof project**
38. **Community infrastructure work**
39. **Community participation/collaboration**
40. **Material reuse as a means rather than the end goal**
41. **Functional applications of discarded materials**
42. **Process behind community projects**
43. **Impact of projects on communities**
44. **Impact of material reuse**
45. **Stories/testimonials from communities**
46. **New project documentation**
47. **New photographs showing projects in use**
48. **Current/future direction of Punarjanam**

Visual/content cleanup

49. **Images that exclusively communicate art/sculpture**
50. **Artwork-heavy sections that no longer represent Punarjanam**
51. **Old project thumbnails that misrepresent the current focus**
52. **Artwork-focused banners/hero images**

- 53. Artwork-focused section titles**
- 54. Any visual language that positions Punarjanam primarily as an art organization**
- 55. Old project content that is no longer relevant**
- 56. Duplicate/obsolete content**
- 57. Any outdated references to Punarjanam's previous goals**
